

Apple Slice Template

Project Suggestions:

Apple slice mosaics

Have your child choose their favorite color apple.
Rip small pieces of colored paper to glue to the apple skin.
Rip small pieces of tan paper for the apple meat.
Rip out seed shapes from black paper and glue them to the seeds.
Cut out the apple slice!

Can also have your child color the parts of the apple first, then decorate the apple with the above technique.

Delicious smelling apple

Color the apple the appropriate colors.
Mix a small amount of apple glue using sugar free green apple jello and water.
Paint the skin of the apple with the apple paste.

Sponge Painting

Using a sponge to dab paint on the apple.

Fingerprints

Bingo daubers
